The magazine’s other owner is **Jon Bond**, who currently serves as “chief tomorroist” (yes, we’re serious) for Tomorro LLC, a marketing company. Despite that cool title, Bond is more well known as the founder of Kirshenbaum Bond & Partners.

The sale involved several other investors, including **Steve Zacks, Aaron Hicklin** and **Bill**.
Powers (former BlackBook editors), Jamie Driver, Mogility Capital and Picture Farm Productions.

Financial details of the deal weren’t disclosed.
